# STALLION SERVICE CONTRACT

- I hereby agree to breed my mare: \_\_\_\_\_/Reg #: \_\_\_\_\_ to the stallion: **Moms Stlish Cat** using an oocyte aspiration technique and ICSI procedure during the 2023 breeding season. I agree to pay \$1,000.00 plus a \$125.00 BI fee made payable to: **Redtail Ranch Performance Horses** for the stud fee and \$100 administrative fee payable to Weatherford Equine Breeding Center. Stud fee and administrative fees are to be paid in full prior to oocyte aspiration.
- Stud Fee does entitle mare owner to a Live Foal Guarantee. I am entitled to a "live foal" conceived from this breeding that will stand and nurse after foaling without assistance and lives for (24) hours. If my mare is found not in foal, or delivers a stillborn, I am allowed a Rebreed Contract if Weatherford Equine is notified within (30) days of discovering the mare is open or foal is stillborn. With the notification there must be a statement from a licensed veterinarian. A Rebreed contract will apply to the following breeding season only, and Stud Fee will be nonrefundable. Live Foal Guarantee will be null and void if Mare Owner does not give ample opportunity to settle mare. Stallion Owner will also be released from Live Foal Guarantee if mare is sold without notifying the Stallion Owner and providing new owner contact information.
- The oocyte aspiration procedure may be performed at Weatherford Equine Breeding Center. I agree to pay all board charges and veterinary expenses before mare is released from Weatherford Equine and Weatherford Equine may treat my mare however deemed appropriate to complete this agreement. I understand that this breeding is via oocyte aspiration and intracytoplasmic sperm injection only. I am aware that all other medications and treatments will be at the mare owner's expense, and Stallion owner is not held liable for any charges incurred while breeding my mare. I understand that Weatherford Equine will diligently try to produce a viable embryo for transfer, but if they are not able to Weatherford Equine shall be held harmless.
- Mare owner agrees to pay for all fees incurred. This includes but is not limited to: rectal palpation, oocyte harvest, embryo implant fee, pregnant recipient mare fee, and courier fees.
- Multiple Embryos. I understand that if multiple embryos are produced during the ICSI process I will be held accountable for an additional Stud Fee \$1,000, within (60) days of confirming pregnancy or before the pregnant recipient mare leaves the facility in order to receive a certificate for the additional foal(s). If a conception from a multiple embryo harvest does not produce a Live Foal after the Mare Owner pays for additional Stud Fee(s), it is the Stallion Owners discretion to refund the Stud Fee for the additional conceptus or allow it to be counted as a Rebreed for the following breeding season.
- It is further agreed that if the mare dies before producing a live foal or becomes unfit to breed before a recipient mare is pronounced safe in foal, a substitute mare will be allowed for the current breeding season or the following season only. No Stud Fee will be refunded.
- It is my understanding that care will be taken for both the mare and/or foal presented to Weatherford Equine, to prevent accident, sickness, injury or death and that the mare owner will not hold Weatherford Equine, its owners, employees, the stallion owner or any of their employees responsible if any such occurrences should arise. It is understood that Weatherford Equine, its owners, employees, veterinarians and guests shall not be held liable for any injury, escape, disability, or death of any horse on its premises whether from fire, flood, theft, act of God or any other reason.
- Weatherford Equine and affiliated Stallion Owner will have a necessary lien for all fees, charges and expenses that are incurred while the mare and/or Foal are under the care of Weatherford Equine. Mare owner shall be responsible and hereby agree to pay for all legal fees and/or attorney/court costs incurred by Weatherford Equine or the affiliated Stallion Owner to enforce this agreement or any portion thereof. It is expressly agreed that this contract is performed in Parker County, Texas, and venues for any actions hereunder will be in Parker County, Texas.
- No oocyte injection will be authorized without a completed Stallion Service Contract that is signed by Mare Owner and Stallion Owner or Agent of Stallion Owner. At this time the contract will be a binding contract on both parties, subject to the above terms and conditions.
