EARLY BOOKING DISCOUNT $500 OFF STALLION FEE IF PAID IN FULL BY 2/1/26!!

STALLION SERVICE CONTRACT

1. I hereby agree to breed my mare: _____ /Reg.#: _____ to the Stallion:

CATTY HAWK either on-site at Weatherford Equine or by shipped cool or frozen semen during the 20 26 breeding season. I agree to pay $ 1,500.00 made payable to COWAN RANCH for the Stud Fee. I also agree to pay $675.00 to Weatherford Equine for Chute Fee (See Paragraph 4 or 5 for Chute Fee details). Stud Fee and Chute Fee are to be paid in full prior to breeding on-site or semen shipment. Contract is non-transferable without written permission from the stallion owner or WEBC Agent.

2. Stud Fee does entitle mare owner to a Live Foal Guarantee. I am entitled to a "live foal" conceived from this breeding that will stand and nurse after foaling without assistance and lives for (24) hours. If my mare is found not in foal, or delivers a stillborn, I am allowed a Rebreed Contract if Weatherford Equine is notified within (30) days of discovering the mare is open or foal is stillborn. With the notification there must be a statement from a licensed veterinarian. A Rebreed contract will apply to the following breeding season only, and Stud Fee will be nonrefundable. Live Foal Guarantee will be null and void if Mare Owner does not give ample opportunity to settle mare. Stallion Owner will also be released from Live Foal Guarantee if mare is sold without notifying the Stallion Owner and providing new owner contact information. With Rebreed agreement I am required to pay another Chute Fee prior to servicing mare and all other veterinary related fees and board will still be Mare Owner's responsibility. In case the stallion becomes unserviceable for whatever reason, frozen semen may be available to satisfy the terms of the contract until the stallion is deemed to be serviceable and fresh semen becomes available per the stallion owner's discretion.
3. Mare Owner agrees to notify Weatherford Equine of the pregnancy status of the mare by August 30th, 20 26 . Mares with an unknown pregnancy status will not be included on the stallion breeding report. Pregnancy status updates received after August 30th are subject to a $65 stallion breeding report late-filing fee. **Mare substitutions for this contract will incur a $125.00 fee**.
4. If mare is bred On-Site I agree to pay all board charges and veterinary expenses that are not included within the Chute Fee before mare is released from Weatherford Equine and Weatherford Equine may breed and treat my mare however deemed appropriate to complete this agreement. I understand that the Chute Fee will cover all rectal palpations, rectal ultrasounds, semen collection, and artificial insemination for three (3) cycles if necessary. I am aware that all other medications and treatments will be at the mare owner's expense, and Stallion owner is not held liable for any charges incurred while breeding my mare. I understand that Weatherford Equine will diligently try to settle my mare, or produce a viable embryo for transfer, but if they are not able to Weatherford Equine shall be held harmless. If necessary to breed a mare more than the allowed three (3) cycles Weatherford Equine can then bill mare owner for all services that were previously charged under the original Chute Fee as well as all other treatments and services performed, if this situation does occur the mare owner will be notified prior to rendering services.
5. If mare is to be bred with Shipped Semen, I understand that Stud Fee and Chute Fee must be paid in full before any semen will be shipped, and the charged Chute Fee will include either two (2) on-site pickups, or one (1) Standard overnight delivered cooled semen shipment, or one (1) Counter to Counter Same Day Delivery of shipped cooled semen. If my mare does not settle, or conceive a pregnancy via embryo transfer, from the Chute Fee included shipments I agree to pay a fee of $335.00 per Standard Overnight Delivery, or $200.00 per pickup, or $450.00 per Counter to Counter Airline Shipment per subsequent order of fresh semen. Fresh semen orders will be requested by 5pm CST the day prior to semen collection and canceled by 8:00am CST the day of collection. Fresh cooled semen requests made after 8:00 am CST on the day of collection are subject to a late request fee of $50.00. I am also aware that On-Site mares will receive priority, and all Shipped Semen mares will be serviced on a first order first serviced basis, if necessary, therefore there is No Guarantee that semen will be available for any specific day. In the event fresh semen is not available, frozen semen will be available (where applicable) for breeding on site and/or shipping. Semen containers must be returned within 5 business days of receipt. If the fresh semen container is not received within 5 business days, the mare owner shall pay a non-return fee of $35.00. Regarding frozen semen, the chute fee will include one overnight standard shipment. If my mare does not settle, or conceive a pregnancy via embryo transfer, from the Chute Fee included shipment I agree to pay a fee of $500.00 for each consecutive Standard Overnight Delivery frozen semen shipment, or$350.00 for each consecutive Standard Ground Delivery frozen semen shipment if available. ALL frozen semen shipments must be requested a minimum of 48 hours prior to shipment and will be fulfilled based on shipper availability. ALL unused frozen semen remains the property of the stallion owner and must be returned to WEBC at the mare owner's expense. If the frozen semen shipper is not returned within 5 business days of receipt the mare owner shall pay a late fee of $100 and if not returned within 30 business days the mare owner will be charged the value of the vapor shipper. Each delivery will include all shipping charges and must be paid in full prior to semen release from facility. Every attempt will be made to deliver the semen to mare owner in good condition, but once shipment leaves Weatherford Equine they cannot be held responsible for untimely delivery or condition of the semen. Semen shipments must be requested by contacting the Weatherford Equine Breeding Center office by phone. Semen orders placed by email, social media, text messages, etc. will **NOT** be honored. For Canadian shipments, please contact our office for additional instructions and fees.
6. ICSI & Embryo Transfer. I understand that if ICSI and/or embryo transfer is performed and multiple embryos are recovered during harvesting, I will be held accountable for an additional Stud Fee $ 1,500.00 , within (45) days of confirming pregnancy to receive a certificate for the additional foal(s). If a conception from a multiple embryo harvest does not produce a Live Foal after the Mare Owner pays for additional Stud Fee(s), it is the Stallion Owners discretion to refund the Stud Fee for the additional conceptus or allow it to be counted as a Rebreed for the following breeding season.
7. It is further agreed that if the mare dies before producing a live foal or becomes unfit to breed before being pronounced safe in foal, a substitute mare will be allowed for the current breeding season or the following season only. No Stud Fee will be refunded.
8. It is my understanding that care will be taken for both the mare and/or foal presented to Weatherford Equine, to prevent accident, sickness, injury or death and that the mare owner will not hold Weatherford Equine, its owners, employees, the stallion owner or any of their employees responsible if any such occurrences should arise. It is understood that Weatherford Equine, its owners, employees, veterinarians and guests shall not be held liable for any injury, escape, disability, illness, or death of any horse on its premises whether from fire, flood, theft, act of God, or any other reason.
9. Weatherford Equine and affiliated Stallion Owner will have a necessary lien for all fees, charges and expenses that are incurred while the mare and/or Foal are under the care of Weatherford Equine. Mare owner shall be responsible and hereby agree to pay for all legal fees and/or attorney/court costs incurred by Weatherford Equine or the affiliated Stallion Owner to enforce this agreement or any portion thereof. It is expressly agreed that this contract is performed in Parker County, Texas, and venues for any actions hereunder will be in Parker County, Texas.
10. No mare will be bred, and no semen will be shipped without a paid and completed Stallion Service Contract that is signed by Mare Owner and Stallion Owner or Agent of Stallion Owner. At this time the contract will be a binding contract with both parties, subject to the above terms and conditions.
